# Build a Boat in a Weekend

## Fun for the family...

### *A boat for this season and forever*

• Sign up for the UNH Marine Docents' Family Boat-Building Workshop on May 16-18 at Kingman Farm in Madbury.

• In three days, your family will construct the Oyster River Cat, a 12-ft. sailboat that is also an excellent rowboat.

• All skill levels are welcome; just bring your desire to work together as a family. We will provide an experienced Docent/ boat builder to work with you every step of the way to ensure your success.

• The $1,500 fee includes all boat-building materials and a professionally made sail for each family.

• Each family must include at least one family member 12-20 years old.

• Also included: One day of sailing instruction in your boat at Mendum's Pond

• Applications due March 30th.
