### **Physical Activity/Recreational program offered through UNH Department of Kinesiology for 3<sup>th</sup> & 4<sup>th</sup> grade students**

UNH Physical Education (PE) students will offer a social/recreational program designed to enhance skills in the areas of physical and social skill development. Students will engage in team building and cooperative activities leading to use of the indoor climbing wall in New Hampshire Hall. We are offering this program to students who may want extra time working on social skills in a recreational setting with a low teacher/student ratio. We are able to effectively accommodate 15 students and registration is on a first come/first serve basis. The program will run on Tuesdays for the following dates: 10/14, 10/21, 10/28, 10/28, 11/4, 11/18, 11/25 from 4:00-5:00pm at New Hampshire Hall at UNH with a suggested donation of \$40.00 to support the professional development of our PE students. For more information or to register your child, contact Michelle Grenier via email at: [michelle.grenier@unh.edu](mailto:michelle.grenier@unh.edu) or phone 603-862-1835.
