

Slow Food UNH is proud to present the MUB Market Winter Farmers Market Series! Stop by the Granite State Room on Thursday, November 15th between 12-4PM to support Seacoast vendors, gather with community, and learn about Slow Food UNH. You can expect soups, sandwiches, coffee, chocolate, meats, winter produce, handcrafted items, honey, maple syrup, live music from Durham artist Dave Gerard, and more!

We are excited to be creating this event for the second year in a row. Slow Food values our local food system greatly, and we wish to share all of what we have to offer by bringing some of the Seacoast NH's best under one roof!

All students, faculty, staff, and community members are free to attend!
