

## **NH Granite Hammers - Girls Baseball Club**

### **2019 Spring Session**

We are pleased to announce the inaugural season of the New Hampshire Granite Hammers Girls Baseball Club! We are a non-profit, volunteer driven program that offers opportunities for girls to learn and play the game of baseball with other girls. We are the NH Seacoast Division of [New England Girl's Baseball](#) (*Granite Hammers page coming soon*).

Our program is designed to support the commitments that girls have already made to their local baseball and softball leagues. By holding our clinics on Sundays we hope to avoid scheduling conflicts with those programs.

Participants in our program will have the opportunity to play in regional and national tournaments organized by [Baseball For All](#) – the nation's leading girl's baseball organization.

**Who:** We welcome girls ages 8-13 regardless of previous baseball playing experience.

**When:** Sundays beginning in late April (depending on field availability) through the end of June.

**Where:** Dover, Durham and Barrington, NH depending on field availability.

**Cost:** In our introductory season we will charge only \$75 per player for the Spring Session.
