EMERGENCY ORDINANCE #2020-11 OF DURHAM, NEW HAMPSHIRE

AN EMERGENCY ORDINANCE REQUIRING THE WEARING OF FACE COVERINGS UNDER CERTAIN CONDITIONS WITHIN THE TOWN OF DURHAM

The Town of Durham, through the Town Council ordains that:

WHEREAS, there is a pandemic situation with Coronavirus Disease 2019 (COVID-19) with many areas within the United States greatly impacted as case numbers are still rapidly increasing; and

WHEREAS, infectious diseases are caused by germs such as viruses, bacteria, and parasites. COVID-19 is a viral illness that has the ability to be spread from person to person very easily through respiratory droplets and aerosols. Public Health Officials have determined that it is well established that an individual infected with COVID-19 can transmit the disease whether or not they are exhibiting any symptoms (an asymptomatic carrier); and

WHEREAS, it is clinically established that the best means of slowing the spread of a virus is through minimizing close personal contact with individuals in a public environment, social/physical distancing, covering one's mouth and nose by wearing a face covering, and frequent and proper hand washing. For optimal protection, the following key factors should be considered even while wearing a face covering. The safe use of face coverings requires the wearer to maintain proper hand hygiene by hand washing frequently with either soap and water or hand sanitizer for at least 20 seconds. The wearer should prevent the spread of disease by avoiding touching their face, nose, or eyes and not touching the outside of the face coverings at all times; and

WHEREAS, social/physical distancing by keeping a distance of at least six feet between yourself and others also greatly protects against the spread of our respiratory droplets and aerosols, whether an individual is indoors or outdoors; and

WHEREAS, face coverings are most likely to reduce the spread of COVID-19 when they are widely used by people in public settings as they reduce the spray of respiratory droplets and aerosols, particularly when combined with social/physical distancing and other sanitary measures such as washing hands or utilizing hand sanitizer; and

WHEREAS, it has been determined that the virus which causes COVID-19 spreads very easily and sustainably between people, particularly within indoor environments with limited fresh air exchange but also amongst persons in close physical proximity, indoors or outdoors, who cannot adequately social distance; and

WHEREAS, as previously noted, COVID-19 can be spread by people who do not have symptoms (asymptomatic carriers) and therefore are unaware they are infected. It is therefore important that everyone wear face coverings in public settings whether or not they are feeling ill; and

WHEREAS, the Town of Durham has an interest in protecting all persons within the community from unnecessary exposure to COVID-19 with its risk of contracting a devastating illness that may prove fatal, it follows that the wearing of a face covering under certain circumstances is crucial; and

WHEREAS, the more closely a person interacts with others and the longer that interaction occurs, the higher the risk of COVID-19 spread; and

WHEREAS, the Town's Emergency Management Director and Health Officer have discussed this matter in detail while keeping current with the latest guidelines put forward by the Centers for Disease Control and Prevention (CDC) and other trustworthy organizations and recommend the following emergency ordinance measures to the Town Council for adoption; and

WHEREAS, on August 10th, approximately 15,000 University of New Hampshire students begin to return to Durham to resume in-person classes, traveling to the community from across the United States and countries around the world; and

WHEREAS, despite the issuance of Administrative Order #7 by the Town Administrator on May 28, 2020 requesting the voluntary use of cloth face coverings by community members to help slow the spread of COVID-19 and similar recommendations by the NH Department of Health and Human Services, the use of face coverings in Durham by residents has been less than desired; and

WHEREAS, health officials in the United States anticipate a second wave of the Covid-19 virus this fall; and

WHEREAS, numerous community members have communicated with Town officials that unless mask wearing is mandated within downtown establishments, they will avoid downtown Durham and shop elsewhere out of a fear for their own health; and

WHEREAS, the Durham Police Department has limited resources and numerous responsibilities critical to public safety; and

WHEREAS, the Town Council understands that the Durham Police Department may handle complaints regarding non-compliance with this Ordinance as lower priority calls for service with a delayed response or follow-up, or may use the complaint solely as information to identify future directed patrol areas and times; and

WHEREAS, because COVID-19 presents a clear and present danger to the general Durham population it behooves the community for the Town Council to take this emergency measure requiring the wearing of face coverings in certain situations to protect the public health.

WHEREAS, Section 3.9 “Emergency ordinances” of the Durham Town Charter allows the Town Council to adopt emergency ordinances by a two-thirds affirmative vote of those present and voting,
