COUNCIL COMMUNICATION

INITIATED BY: Public Works Department

AGENDA ITEM: SHALL THE TOWN COUNCIL, UPON RECOMMENDATION OF THE ADMINISTRATOR, AUTHORIZE THE PURCHASE OF A CHANNEL "MUFFIN MONSTER" GRINDER FROM JWC ENVIRONMENTAL INC. OF SANTA ANA, CA IN THE AMOUNT OF \$71,267 AND AUTHORIZE THE ADMINISTRATOR TO SIGN ALL ASSOCIATED DOCUMENTS?

CC PREPARED BY: April Talon, Town Engineer

PRESENTED BY: Todd Selig, Town Administrator

AGENDA DESCRIPTION:

The purpose of this Council Communication is to request that the Town Council authorize the purchase of a specialty channel grinder called the "Muffin Monster" for the Dover Road Pump Station from JWC Environmental Inc. of Santa Ana, CA in the amount of \$71,267. The local sales representative for this equipment is Aqua Solutions, Inc. from Middleboro, MA.

Town Engineer April Talon prepared the contract documents and bid the project publically. Sealed bids were received on Friday September 4, 2020 in which JWC Environmental Inc. was the only bid received that met the specification criteria.

Wipes, rags, and glove like sanitary products are commonly found in all wastewater collection systems and cause major clogs and backups. While the main pumps at the Dover Road Pump Station are designed to handle passing wipes and rags, doing so causes significant wear and tear, in turn reducing the life span of equipment.

The "Muffin Monster" grinder is a two-shaft design consisting of individual cutters and spacer driven by hexagonal shafts. The cutters actively grab and pull material into the stack for shredding. The optimized cut control cuts two ways (into smaller particles) which prevents reweaving of material.

DPW estimates this will increase the life span of pumps by at least 5 years. It will drastically reduce the man hours needing to flush the wet well of the station and back flushing of the pumps.

LEGAL AUTHORITY:

Article 4-19 of the Administrative Code of the Town of Durham requires every purchase or contract in excess of \$15,000.00 shall be made only after receipt of publicly invited sealed competitive bids on uniform specifications and that all purchases in excess of \$35,000 requires approval by the Town Administrator and Town Council by affirmative vote.

FINANCIAL DETAILS:

This contract will be approved and paid for using the 2019 Wastewater Facilities Plan CIP Account #07-1939-360-36-000.

UNH's 2/3 Share = \$47,511.30

Town's 1/3 Share = \$23,755.70

AGENDA ITEM: SHALL THE TOWN COUNCIL EXTEND EMERGENCY ORDINANCE #2020-11 REQUIRING THE WEARING OF FACE COVERINGS UNDER CERTAIN CONDITIONS WITHIN THE TOWN OF DURHAM FOR ANOTHER 61 DAYS DUE TO THE CONTINUING THREAT OF THE COVID-19 PANDEMIC?

CC PREPARED BY: Todd I. Selig, Administrator

PRESENTED BY: Todd I. Selig, Administrator

AGENDA DESCRIPTION:

In August, approximately 15,000 University of New Hampshire students began to return to Durham to resume in-person classes, traveling to the community from across the United States and countries around the world. Numerous community members had communicated with Town officials that unless mask wearing is mandated within downtown establishments, they would avoid downtown Durham and shop elsewhere out of a fear for their own health.

On August 3, 2020, the Town Council adopted Emergency Ordinance #2020-11 requiring the wearing of face coverings under certain conditions within the Town of Durham. Section 3.9 "Emergency ordinances" of the Durham Town Charter allows the Town Council to adopt emergency ordinances by a two-thirds affirmative vote of those present and voting "to meet a public emergency affecting life, health, property or the public peace." Because COVID-19 still presents a clear and present danger to the general Durham population, both the Administrator and Police Chief recommend that the Town Council continue to keep the Emergency Ordinance in place at this time.

Attached is information provided by the Durham Police with mask enforcement statistics to date. The State of New Hampshire has a site COVID-19 site for those that may be traveling to the state which can be viewed at this link:

EMERGENCY ORDINANCE #2020-11 OF DURHAM, NEW HAMPSHIRE

Extension #1 – 9/21/20

AN EMERGENCY ORDINANCE REQUIRING THE WEARING OF FACE COVERINGS UNDER CERTAIN CONDITIONS WITHIN THE TOWN OF DURHAM

The Town of Durham, through the Town Council ordains that:

WHEREAS, there is a pandemic situation with Coronavirus Disease 2019 (COVID-19) with many areas within the United States greatly impacted as case numbers are still increasing; and

WHEREAS, infectious diseases are caused by germs such as viruses, bacteria, and parasites. COVID-19 is a viral illness that has the ability to be spread from person to person very easily through respiratory droplets and aerosols. Public Health Officials have determined that it is well established that an individual infected with COVID-19 can transmit the disease whether or not they are exhibiting any symptoms (an asymptomatic carrier); and

WHEREAS, it is clinically established that the best means of slowing the spread of a virus is through minimizing close personal contact with individuals in a public environment, social/physical distancing, covering one's mouth and nose by wearing a face covering, and frequent and proper hand washing. For optimal protection, the following key factors should be considered even while wearing a face covering. The safe use of face coverings requires the wearer to maintain proper hand hygiene by hand washing frequently with either soap and water or hand sanitizer for at least 20 seconds. The wearer should prevent the spread of disease by avoiding touching their face, nose, or eyes and not touching the outside of the face coverings at all times; and

WHEREAS, social/physical distancing by keeping a distance of at least six feet between yourself and others also greatly protects against the spread of our respiratory droplets and aerosols, whether an individual is indoors or outdoors; and

WHEREAS, face coverings are most likely to reduce the spread of COVID-19 when they are widely used by people in public settings as they reduce the spray of respiratory droplets and aerosols, particularly when combined with social/physical distancing and other sanitary measures such as washing hands or utilizing hand sanitizer; and

WHEREAS, it has been determined that the virus which causes COVID-19 spreads very easily and sustainably between people, particularly within indoor environments with limited fresh air exchange but also amongst persons in close physical proximity, indoors or outdoors, who cannot adequately social distance; and

WHEREAS, as previously noted, COVID-19 can be spread by people who do not have symptoms (asymptomatic carriers) and therefore are unaware they are infected. It is therefore important that everyone wear face coverings in public settings whether or not they are feeling ill; and

WHEREAS, the Town of Durham has an interest in protecting all persons within the community from unnecessary exposure to COVID-19 with its risk of contracting a devastating illness that may prove fatal, it follows that the wearing of a face covering under certain circumstances is crucial; and

WHEREAS, the more closely a person interacts with others and the longer that interaction occurs, the higher the risk of COVID-19 spread; and

WHEREAS, the Town's Emergency Management Director and Health Officer have discussed this matter in detail while keeping current with the latest guidelines put forward by the Centers for Disease Control and Prevention (CDC) and other trustworthy organizations and recommend the following emergency ordinance measures to the Town Council for adoption; and

WHEREAS, on August 10th, approximately 15,000 University of New Hampshire students, [faculty, staff, and contractors](#) began to return to Durham to resume in-person classes, traveling to the community from across the United States and countries around the world; and

WHEREAS, despite the issuance of Administrative Order #7 by the Town Administrator on May 28, 2020 requesting the voluntary use of cloth face coverings by community members to help slow the spread of COVID-19 and similar recommendations by the NH Department of Health and Human Services, the use of face coverings in Durham by residents has ~~been~~ less than desired; and

WHEREAS, health officials in the United States anticipate a second wave of the Covid-19 virus this fall; and

WHEREAS, numerous community members have communicated with Town officials that unless mask wearing is mandated within downtown establishments, they will avoid downtown Durham and shop elsewhere out of a fear for their own health; and

WHEREAS, the Durham Police Department has limited resources and numerous responsibilities critical to public safety; and

WHEREAS, the Town Council understands that the Durham Police Department may handle complaints regarding non-compliance with this Ordinance as lower priority calls for service with a delayed response or follow-up, or may use the complaint solely as information to identify future directed patrol areas and times; and

WHEREAS, because COVID-19 presents a clear and present danger to the general Durham population it behooves the community for the Town Council to ~~take~~ **continue to implement** this emergency measure requiring the wearing of face coverings in certain situations to protect the public health.

WHEREAS, Section 3.9 "Emergency ordinances" of the Durham Town Charter allows the Town Council to adopt emergency ordinances by a two-thirds affirmative vote of those present and voting; and

WHEREAS, this Emergency Ordinance was originally adopted on August 3, 2020 to stand repealed as of the 61st day following the date on which it was adopted; and

WHEREAS, due to the continued COVID-19 pandemic and citizen concerns unabated, and the need to have a coordinated Pandemic response with the University of New Hampshire,

NOW, THEREFORE BE IT RESOLVED for the purpose of continuing to provide safety for its residents and visitors resulting from the unique features of a college community, the Town Council does hereby extend Emergency Ordinance 2020-11 for 61 days following the date on which it was adopted.

BE IT FURTHER RESOLVED that the Town of Durham, through the Town Council ordains that in accordance with Section 3.9 of the Charter of the Town of Durham, the Town of Durham, through the chief of police, shall take immediate action to ensure that persons wear facial coverings under the conditions listed below within the Town of Durham.
