There will be a quorum of Board members in person in the Council Chambers. The Town will continue to offer, when available, a Zoom video chat program to participate in the meeting. While we endeavor to offer these technologies as a convenience, we cannot guarantee they will be available for a given meeting. As such, residents who want to *ensure* they will be able to provide feedback during public hearings or at public meetings should plan to attend said meetings in-person.

Project applicants can participate via Zoom but are encouraged to present in person.
